Dear Resident:

I am pleased to inform you that, at our last meeting, the Township Council authorized a contract with Elizabethtown Water Company for the installation of the water main in the Nova Ukraine area. Construction should begin during the first week of August.

According to the Department of Environmental Protection, they have received 20 Damage Claim Applications under the Spill Compensation Fund. I would like to encourage those residents who have not submitted applications to do so as soon as possible. If you need a copy of the Claim form, please contact Mr. Harold Klein, Business Administrator, at 562-2301.

Sincerely,

JAMES W. STEWART
Councilman, Ward IV
